## **WORKING PAPER**

### **3<sup>rd</sup> Transnational Workshop, Athens, October, 11<sup>th</sup> and 12<sup>th</sup>, 2006**

The Third Transnational Workshop, that will take place in Athens, is the last preparatory meeting, before to start the subsequent phases of production and dissemination.

The main objectives of this workshop are:

- 1. To present and discuss the questionnaires outcomes.**
- 2. To present the poster which will be presented in Athens Conference of WAPR.**
- 3. To discuss about the outcomes of the focus groups already done.**
- 4. To plan the next phase steps**
- 5. To discuss about the Interim Report**
- 6. To present the web site and discuss about his management**

#### **1. The questionnaires outcomes**

A preliminary elaboration of the data obtained through the questionnaires will be presented. Then the outcomes will be shared and discussed. On the basis of this discussion we should start to work out some base-lines for the next working phase.

#### **2. The Athens Conference of WAPR poster**

The poster about PSICHO\_RESCUE project which will be presented in Athens Conference should include:

- A general description of the aim of the project and the utilized tools.
- A short presentation of the results of WP1 and WP2 (Context and Need Analysis)

#### **3. The focus groups.**

The focus-group experiences which have been already done will be presented and discussed.

#### **4. The next phase**

On the basis of the outcomes of WP1 and WP2 (Context and Need analysis), we have to work out the base-lines for the next working phases, keeping in consideration their main objectives, which are:

- To delineate the professional profile of the WORKER.
- To rearrange his training pathway.
- To define -in a lifelong learning viewpoint- flexible training pathways.
- To disseminate the training model and tools and the vocational profile

#### **5. The Interim Report**

It will talk about the Interim Report which has to be presented to EU within next 30th November.

#### **6. The web site presentation and management**

The web site of WWW.PSICHORESCUE.ORG project will be presented. It will follow a discussion about the way to manage it. Each partner should give:

- a [mailing list](#) which include links useful for promotion and diffusion of the project. This list can include persons involved in working with Mental Health, or association or whatever institution involved in this field
- a list of web-sites linked to Mental Health
